ABOUT COMPANY

The Company was established in 2005. As a partner of many well-known IC manufacturers and distribution agencies in the world, the company has a complete supply and sales network and has a large number of stock in stock for a long time.

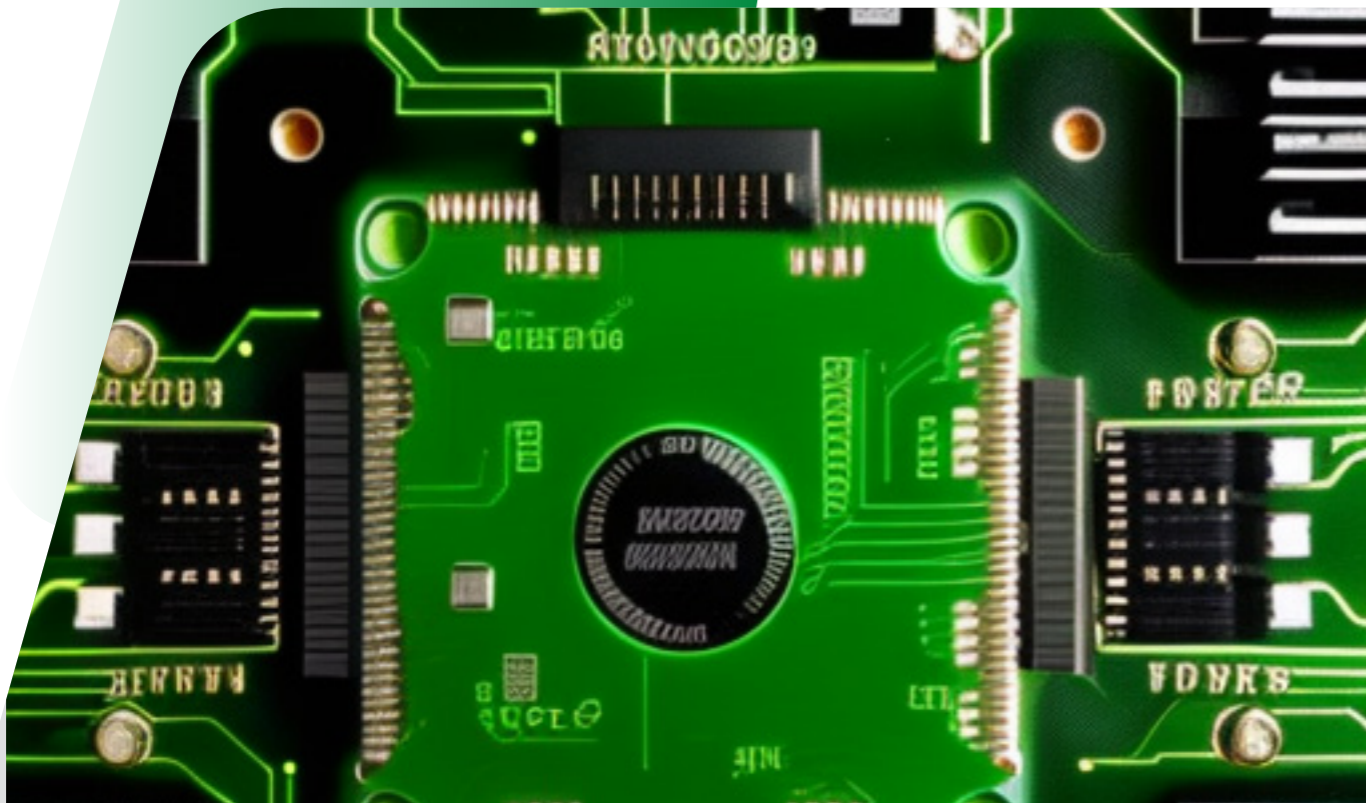

The company adheres to the business philosophy of "quality first, spot management, small profits but quick turnover, and service first".

After long-term unremitting efforts, it has established a good reputation, won the praise and favor of customers, and stood out among its peers.

Global service

“The world is a big place, and there are opportunities everywhere.” - Unknown

Relying on the geographical advantages of Hong Kong and Shenzhen, the company is committed to providing first-hand sources of components for various electronic merchants and large enterprises at home and abroad.

In line with the tenet of "active, efficient, honest, and cooperative", our preferential price, stable quality, and sincere after-sales service.

AWARDS & RECOGNITION

After long-term unremitting efforts, Horsway Tech. Ltd. has established a good reputation, won the praise and favor of customers globally and stood out among its peers.
